

1000W 1.5L 6-blade Table Blender

Barcode: 8433325211912

Specification

Dimension	L203*W222*H398mm
Wire length	0.8m

Technical parameters

Voltage	220-240V ~
Power	1000W
Frequency	50-60Hz
RPM	1 gear:22300±15% r/min.;2/P gear:23400±15% r/min.

Application environment

Applicable standards	VDE
----------------------	-----

Capacity

Volume	1500ml
--------	--------

Material

Main Materials	Glass&Plastic&Stainless steel
----------------	-------------------------------

Certification

Certification	  
---------------	---

Package

Weight	2.905kg
Package	pc/color box

Outer Package	pcs/ctn
Unit package qty	One
Outer package qty	4
