

Infrared Motion Sensors Wall-mounted White

Barcode: 8433325190101

Specification

Dimension	L94*W65.5*H86.5mm
-----------	-------------------

Technical parameters

Voltage	220-240V~
---------	-----------

Application environment

Environment	Indoor
Working Temperature	-20°C~40°C
Protection	IP44
Installation method	Surface-mounted; Installation height 1.8-2.5m

Material

Main Materials	ABS
----------------	-----

Certification

Certification	CE
---------------	----

Package

Package	pc/blister card
Outer Package	pcs/ctn
M.Package	pcs/polybag
Unit package qty	One

Middle package qty	Five
Outer package qty	60
