

# WiFi WB Smart Robotic Vacuums with Laser

Barcode: 8433325283780

## Specification

Dimension	D350*H100.5mm
Wire length	1.2m

## Technical parameters

Voltage	100-240V ~
Power	12W
Frequency	50/60Hz

## Application environment

Applicable standards	VDE
Applicable area	≤300m <sup>2</sup>

## Capacity

Volume	530ml
--------	-------

## Material

Main Materials	ABS/PC&ABS/PC/POM
----------------	-------------------

## Certification

Certification	
---------------	---

## Package

Weight	3.6kg
--------	-------

Package	pc/color box
Outer Package	pcs/ctn
Unit package qty	One
Outer package qty	2
