

Integrated circuit LED strip light power supply suit 2835 8mm

Barcode: 8433325290351

Technical parameters

Voltage	220-240V ~
Current	3A
Power	600W
Frequency	50/60Hz

Material

Main Materials	PVC&Cuprum
----------------	------------

Certification

Certification	 
---------------	-------------------------------------------------------------------------------------------------------------------------------------------------------------------------

Package

Package	pc/blister card
Outer Package	pcs/ctn
M.Package	pcs/PE bag
Unit package qty	One
Middle package qty	Five
Outer package qty	Fifty
