

# LED Solar Light Strip 2+5m 6500K 50W

Barcode: 8433325323912

## Specification

Technology	LED
------------	-----

## Technical parameters

Luminous flux	500lm
CRI	Ra $\geq$ 70
Power	50W
Color temperature	6500K

## Application environment

Environment	Outdoor
Protection	IP65

## Capacity

Battery capacity	4000mAh
------------------	---------

## Certification

Certification
