

LED strip light 5050

Barcode: 8433325184537

Specification

Dimension	L50m*W13mm
Technology	LED
Length	50m
Roll size	D315*H74.1mm

Technical parameters

Voltage	230V ~
Luminous flux	250lm/m
EEL	A+
Current	32mA
CRI	Ra≥60
Beam angle	120°
PF	> 0.93
Power	7W/m
Frequency	50/60Hz
Color temperature	3000K
Power consumption per 1,000 hours	7kwh/1000h

Application environment

Environment	Indoor and outdoor
Working Temperature	-20°C ~ 40°C
Protection	IP65

Life span

Life span	20000h
-----------	--------

Material

Shell material	PVC
Main Materials	PVC&PCB

Certification

Certification	
---------------	---

Package

Package	roll/color box(50m)
Outer Package	roll/ctn
Unit package qty	One
Outer package qty	One
