

Drip coffee machine

Barcode: 8433325295974

Specification

Dimension	L275*W205*H335mm
Wire length	0.75m

Technical parameters

Voltage	220-240V ~
Power	1000W
Frequency	50Hz

Application environment

Applicable standards	VDE
----------------------	-----

Capacity

Volume	1250ml (10 cups)
--------	------------------

Material

Main Materials	PP & stainless steel
----------------	----------------------

Certification

Certification	  
---------------	---

Package

Weight	1.32kg
Package	pc/color box
Outer Package	pcs/ctn

Unit package qty	One
Outer package qty	4
