

LED Solar Light Strip 20m 2700K 100W

Barcode: 8433325321185

Specification

Technology	LED
------------	-----

Technical parameters

Luminous flux	2000lm
CRI	Ra \geq 70
Power	200W
Color temperature	2700K

Application environment

Environment	Outdoor
Protection	IP65

Capacity

Battery capacity	20000mAh
------------------	----------

Certification

Certification	
---------------	---

Package

Outer package qty	Five
-------------------	------
