

# 1500W 3.5L Electronic Air Fryer

Barcode: 8433325212209

## Specification

Dimension	L270*W322*H300mm
Wire length	1m

## Technical parameters

Voltage	220-240V ~
Power	1500W
Frequency	50Hz
Schedule	60min

## Application environment

Applicable standards	VDE
----------------------	-----

## Capacity

Volume	3.5L
--------	------

## Material

Shell material	PP
Main Materials	PBT

## Certification

Certification	 
---------------	---

## Package

Weight	4.35kg
--------	--------

Package	pc/color box
Outer Package	pcs/ctn
Unit package qty	One
Outer package qty	2
