

PA12 Terminal Block (6-pin H concave base)White

Barcode: 8433325181673

Technical parameters

Plug parameter	41A 500V~ T110°C
----------------	------------------

Application environment

Applicable standards	German Type
----------------------	-------------

Material

Main Materials	Zinc alloy
----------------	------------

Certification

Certification	 
---------------	---

Package

Package	pc/blister card
Outer Package	pcs/ctn
M.Package	pcs/shrink bag
Unit package qty	One
Middle package qty	10
Outer package qty	200
