

咖啡研磨器

Barcode: 8433325295981

Specification

Dimension	L108*W105*H180MM
Wire length	1.05m

Technical parameters

Voltage	220-240V ~
Power	200W
Frequency	50-60Hz

Application environment

Applicable standards	VDE
----------------------	-----

Capacity

Volume	60g
--------	-----

Material

Shell material	塑料&ABS
Main Materials	ABS&Stainless steel

Certification

Certification	  
---------------	-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

Package

Weight	0.6kg
Package	pc/color box

Outer Package	pcs/ctn
Unit package qty	One
Outer package qty	12
