

150W 700ml Horizontal slow juicer

Barcode: 8433325217075

Specification

Dimension	L393*W174*H338mm
Wire length	0.9m

Technical parameters

Voltage	220-240V ~
Power	150W
Frequency	50/60Hz
RPM	105±15 r/min
Speed setting	One

Application environment

Applicable standards	VDE
----------------------	-----

Capacity

Volume	700ml
--------	-------

Material

Shell material	ABS
Main Materials	Plastic

Certification

Certification	  
---------------	---

Package

Weight	3.4kg
Package	pc/color box
Outer Package	pcs/ctn
Unit package qty	One
Outer package qty	2
