

# 300W 6-speed multifunctional mixer

Barcode: 8433325190811

## Specification

Dimension	L190*W85*H152mm
Wire length	1m

## Technical parameters

Voltage	220-240V ~
Power	300W
Frequency	50Hz

## Application environment

Applicable standards	VDE
----------------------	-----

## Material

Shell material	HIPS&SUS430
Main Materials	HIPS

## Certification

Certification	  
---------------	---

## Package

Weight	0.895kg
Package	pc/color box
Outer Package	pcs/ctn
Unit package qty	One
Outer package qty	Six
