

# PA9 Terminal Block (6-pin H concave base)White

Barcode: 8433325181659

## Technical parameters

Plug parameter	24A 450V~ T110°C
----------------	------------------

## Application environment

Applicable standards	German Type
----------------------	-------------

## Material

Main Materials	Zinc alloy
----------------	------------

## Certification

Certification	 
---------------	---

## Package

Package	pc/blister card
Outer Package	pcs/ctn
M.Package	pcs/shrink bag
Unit package qty	One
Middle package qty	10
Outer package qty	200
