

E14 Plastic Screw Terminal Lamp Holder Black

Barcode: 8433325214128

Specification

Dimension	Φ28*53.5mm
-----------	------------

Technical parameters

Plug parameter	2A 250V~ T210°C
----------------	-----------------

Application environment

Environment	Indoor
Applicable standards	German & Italian Type

Material

Main Materials	PET/PBT flame retardant & Nylon
----------------	---------------------------------

Certification

Certification	 
---------------	---

Package

Package	pc/blister card
Outer Package	pcs/ctn
M.Package	pcs/shrink bag
Unit package qty	One
Middle package qty	10
Outer package qty	100
