

2200W 1.2L Plastic Electric Kettle

Barcode: 8433325295905

Specification

Dimension	L224*W159*H199mm
Wire length	0.7m

Technical parameters

Voltage	220-240V ~
Power	1850-2200W
Frequency	50/60Hz

Application environment

Applicable standards	VDE
----------------------	-----

Capacity

Volume	1200ml
--------	--------

Material

Shell material	PP
Main Materials	PP&SS

Certification

Certification	 
---------------	---

Package

Weight	0.842kg
Package	pc/color box

Outer Package	pcs/ctn
Unit package qty	One
Outer package qty	12
