

1500W Large capacity multifunctional raclette grill

Barcode: 8433325202736

Specification

Dimension	L480*W233*H132mm
Wire length	1m

Technical parameters

Voltage	220-240V ~
Power	1500W
Frequency	50/60Hz

Application environment

Applicable standards	VDE
----------------------	-----

Material

Shell material	Nylon
Main Materials	Aluminum plating&Marble&Nylon

Certification

Certification	  
---------------	---

Package

Weight	3.1kg
Package	pc/color box
Outer Package	pcs/ctn

Unit package qty	One
Outer package qty	2
