

0.8L coffee grinder

Barcode: 8433325188887

Specification

Dimension	L390*W160*H270mm
Wire length	85±5cm

Technical parameters

Voltage	220-240V ~
Power	680-820W
Frequency	50/60Hz

Application environment

Applicable standards	VDE
----------------------	-----

Capacity

Volume	750ml
--------	-------

Material

Shell material	Plastic
Main Materials	Plastic&Stainless Steel

Certification

Certification	  
---------------	---

Package

Weight	3.5kg
Package	pc/color box

Outer Package	pcs/ctn
Unit package qty	One
Outer package qty	2
