

Integrated circuit LED strip light 2835

Barcode: 8433325212964

Specification

Dimension	H6.5*W14mm
Technology	LED
Length	50m
Roll size	D310*H108mm

Technical parameters

Voltage	220-240V ~
Luminous flux	600lm/m
EEL	A+
CRI	Ra \geq 70
Beam angle	120°
PF	> 0.93
Power	8W/m
Frequency	50/60Hz
Color temperature	6500K
Power consumption per 1,000 hours	8kwh/1000h

Application environment

Environment	Indoor and outdoor
Working Temperature	-20°C ~ 40°C
Protection	IP65

Life span

Life span	20000h
-----------	--------

Material

Main Materials	PVC&PCB
----------------	---------

Package

Package	roll/color box(50m)
Outer Package	pcs/ctn
Unit package qty	One
Outer package qty	2
