

# 2200W 1.7L Glass electric kettle

Barcode: 8433325188481

## Specification

Dimension	L216*W160*H244mm
Wire length	0.75m

## Technical parameters

Voltage	220-240V ~
Power	1850-2200W
Frequency	50-60Hz

## Application environment

Applicable standards	VDE
----------------------	-----

## Capacity

Volume	1700ml
--------	--------

## Material

Main Materials	Glass&Plastic&Stainless steel
----------------	-------------------------------

## Certification

Certification	   
---------------	--

## Package

Weight	1.17kg
Package	pc/color box
Outer Package	pcs/ctn

Unit package qty	One
Outer package qty	Six
