

# 2200W 1.7L Stainless steel electric kettle

Barcode: 8433325200015

## Specification

Dimension	L226.3*W159.8*H224.7mm
Wire length	0.75m

## Technical parameters

Voltage	220-240V ~
Power	2200W
Frequency	50/60Hz

## Application environment

Applicable standards	VDE
----------------------	-----

## Capacity

Volume	1700ml
--------	--------

## Material

Shell material	Stainless steel
Main Materials	Stainless steel

## Certification

Certification	   
---------------	--

## Package

Weight	0.89kg
Package	pc/color box

Outer Package	pcs/ctn
Unit package qty	One
Outer package qty	4
