

900W Multi-gear toaster

Barcode: 8433325192594

Specification

Dimension	L283*W170*H178mm
Wire length	0.6m

Technical parameters

Voltage	220-240V ~
Power	900W
Frequency	50Hz

Application environment

Applicable standards	VDE
----------------------	-----

Material

Main Materials	PP & stainless steel
----------------	----------------------

Certification

Certification	  
---------------	---

Package

Weight	1.38kg
Package	pc/color box
Outer Package	pcs/ctn
Unit package qty	One
Outer package qty	Six
