

# 16A wirable plug

Barcode: 8433340000195

## Specification

|      |  |
|------|--|
| Wire | H05VV-F 3G1.0mm <sup>2</sup> -3G1.5mm <sup>2</sup> |
|------|--|

## Technical parameters

|                |                |
|----------------|----------------|
| Power          | MAX.3680W      |
| Plug parameter | 16A 250V~ 2P+E |

## Application environment

|                      |             |
|----------------------|-------------|
| Applicable standards | German Type |
|----------------------|-------------|

## Certification

|               |   |
|---------------|---|
| Certification |    |
|---------------|---|

## Package

|                    |                 |
|--------------------|-----------------|
| Package            | pc/blister card |
| Outer Package      | pcs/ctn         |
| M.Package          | pcs/shrink bag  |
| Unit package qty   | One             |
| Middle package qty | Five            |
| Outer package qty  | 30              |
