

Multifunctional Cooker

Barcode: 8433325206987

Specification

Dimension	L300*W275*H300mm
Wire length	1m

Technical parameters

Voltage	220-240V ~
Power	1200W
Frequency	50-60Hz
RPM	66-3300 r/min

Application environment

Applicable standards	VDE
----------------------	-----

Capacity

Volume	1750ml/2000ml
--------	---------------

Material

Shell material	PP
Main Materials	PP&SUS420J2

Certification

Certification	  
---------------	---

Package

Weight	5.6kg
--------	-------

Package	pc/color box
Outer Package	pcs/ctn
Unit package qty	One
Outer package qty	One
