

3600W 6.0L SUS Dual-Pot Deep Fryer with Viewing Port

Barcode: 8433325211936

Specification

Dimension	L410*W404*H227mm
Wire length	0.85m

Technical parameters

Voltage	220-240V ~
Power	3600W
Frequency	50/60Hz

Application environment

Applicable standards	VDE
----------------------	-----

Capacity

Volume	3000ml*2
--------	----------

Material

Shell material	Cold-rolled sheet
Main Materials	Cold-rolled sheet

Certification

Certification	 
---------------	---

Package

Weight	4.44kg
--------	--------

Package	pc/color box
Outer Package	pcs/ctn
Unit package qty	One
Outer package qty	One
